

# QB-30 / QB-30LED Fashion Home Aquarium

## Product description

- Up to 14 Lighting Combinations
- Turn up top cover, Convenient for landscape and maintenance.
- Internal filter. Filtration, oxygen supplying and water circulation are integrated together, easy to maintain.
- Polyhedral & symmetrical, no difference between front and rear side, universal placement for more visions.

## Specifications

Model	QB-30	QB-30LED
Capacity	30L	
Voltage	DC12V	
Style	LED lamp	
Color	Black White Red	Red
Lighting	Power	7W
	Color	Blue White
Filtration	Model	BT200B
	Power	3W
	Qmax	200L/h
Size (mm)	320×320×320	320×320×425

## Using Schematic Diagram

# R Series Fashionable Aquariums

## Product description

- Top cover with two small covers, Convenient to feed and maintain.

R-20

R-35

R-50

## Using Schematic Diagram

## Specifications

Model	R-20	R-35	R-50
Capacity	20L	25L	45L
Voltage	DC12V		
Style	LED lamp		
Color	Black White Red	White Red	Red
Lighting	Power	3W	4W
	Color	Blue White	White
Filtration	Model	BT200B	
	Power	3W	
	Qmax	200L/h	
Size (mm)	317×230×340	377×277×386	452×317×450

# HK Series Chillers

HAILEA 海利

## Product description

- Microcomputer control system for the convenience of user.
- High efficiency and energy saving. Water temperature will fall down quickly and economically.
- Adopts Freon-free R134a refrigerating system, which is safe and environment friendly.
- Anti-corrosive pure titanium evaporator for fresh & sea water dual use.
- Temperature memory system that makes the chiller refrigerate continuously according to the previous temperature when the power is supplied again to protect the animals and plants in the aquarium.

HK Series

Microcomputer control system for the convenience of user.

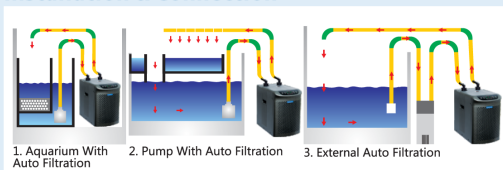

Contains full set of fittings, easy to install.

Solid chassis along with overall stylish housing design ensure chiller blend well with the surrounding working environment.

## Installation & Connection

1. Aquarium With Auto Filtration

2. Pump With Auto Filtration

3. External Auto Filtration
